Acme Patent Flexible Back.

PATENTED APRIL 4th, 1882. JULY 10th, 1883

The simplicity of construction and thoroughly practical operation of this Book, *demonstrates its superiority over all others.* Our Patent Back causes the Book to lie **perfectly flat** when open, and that **without** any **strain** whatever upon the binding; secures **flexibility** and **durability** and will **resist the roughest usage possible.**
